Gentlemen:

This letter is to inform you of our resignation from your organization and Jehovah's Witnesses.

The reason for this letter is that we have been warned by Jesus that there would be false prophets. Jehovah's Christian witnesses claim to be that prophet. The Scriptures also tell us how to check out one who presumes to be a prophet of God. In checking what you said as a prophet we have found that your prophecies have not come true. Hence, we feel that your organization is a false prophet and we do not want to associate with it. To refresh your memory, enclosed is a list of prophecies the Watchtower Society has made that have not come true.

We want you to note that we are resigning from your organization and if you institute disfellowshipping action against us, we will turn the matter over to our attorney for defamation of character.

Sincerely yours,

Erich Grieshaber
